

FROM: MANAGEMENT OF PLUSH MEDIA IN COLLABORATION WITH BECKY OSEI MUSIC MINISTRY

TO: POTENTIAL SPONSORS

SUBJECT: REQUEST FOR SPONSORSHIP

Dear Sir/Madam,

We hope this letter finds you well. The Management of Plush Media in collaboration with **Becky Osei Music Ministry (BOMM)** humbly writes to introduce our ministry and request sponsorship from your organization towards our upcoming Annual Signature Program - "**Shekinah Experience 2024**" featuring **Becky Osei** which will take place at **Living Faith Ministries International Church (195 West 1st Street Mount Vernon, NY 10550)** on **Sat, June 29th, 2024**, time **6:00 PM**.

We are a gospel music ministry on a mission to uplift and inspire humanity through the power of gospel music. We believe that gospel music has the ability to touch hearts and transform lives, therefore we are reaching out to sponsors like you who share the same passion and want to make a positive impact on souls. By sponsoring us, you will have the opportunity to contribute to our ministry's growth to help us expand our reach by creating more meaningful gospel music, organize impactful events, connect with more people who are seeking solace, inspiration, and a deeper connection with their faith.

We extend an invite for you to become a sponsor to this year's "**Shekinah Experience 2024**" featuring **Becky Osei**. This is a free open event that aims to bring together gospel musicians, believers, and individuals who are passionate about gospel music and seeking spiritual upliftment. This signature event will be one of a kind which will be organized annually and will be hosted in different cities across the world. We have the expectation of a bigger and better event, and your financial support will be much appreciated.

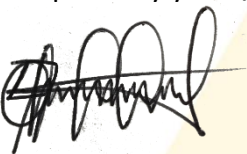

A portion of your financial support will be allocated to our amazing "**Alternate Path Program**", an important initiative scheduled to be launched later part of this year. The aim of this initiative is to provide support and opportunities for juvenile offenders in prisons to help turn their lives around through rehabilitation and reintegration into society.

We have attached a breakdown of our sponsorship recognition packages. Kindly review and let us know which level interest you.

We would be thrilled to discuss any questions you may have. Please feel free to also visit our website www.beckyosei.com for more information about our ministry. We look forward to hearing from you soon. Together let's make a difference.

Thank you for considering this request.

Respectfully yours,

Nana Kwame Amoakohene Karikari
Management - Plush Media
